

Salem Academy Charter School Summer Reading List: 2022

Dear Lower School Families and Friends,

In this document, you will find information related to your child's summer reading text and summer reading assignment. We believe that reading over the summer is a critical step in ensuring that students retain key skills from the prior grade and are prepared for the next one.

We encourage students to do their summer reading assignment at a pace that makes sense for them. As with any assignment, we ask that students do their best. If you have questions about the summer reading text or task, I invite you to reach out to your child's ELA teacher for next year.

Happy reading!

Dr. William Carter, Lower School Principal

Lista de lecturas de verano de Salem Academy Charter School: 2022

Estimadas Familias y Amigos de la Escuela Primaria,

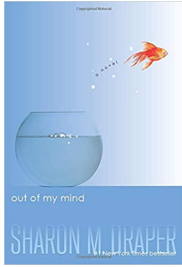

En este documento, encontrarán información relacionada con el texto de lectura de verano de su hijo y la tarea correspondiente. Creemos que la lectura durante el verano es un paso crítico para asegurar que los estudiantes retengan las habilidades clave del grado anterior y estén preparados para el siguiente.

Animamos a los estudiantes a realizar su tarea de lectura de verano a un ritmo que tenga sentido para ellos. Como con cualquier tarea, pedimos que los estudiantes se esfuercen lo más posible. Si tiene preguntas sobre el texto o la tarea de lectura de verano, le invito a que se ponga en contacto con el profesor de Lenguaje de su hijo para el próximo año.

¡Feliz lectura!

Dr. William Carter, Directora de la Escuela Intermedia
