Child Find

In accordance with Federal and State regulations, it is the responsibility of Salem Academy Charter School to identify a child who may have a disability who is either a resident of Salem or who attends Salem Academy Charter School.

We are required to inform parents of their right to have an evaluation if their child has a disability or a suspected disability impacting their progress in school. Salem Academy Charter School is responsible for the evaluation of students with a disability or a suspected disability to determine if they are eligible for special education or related services under federal and state law.

If you suspect that your child may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, through the LEA Special Education Office. Please contact us at the following: specialdept@salemacademycs.org.
